

Our Mission: Educating, cultivating and inspiring through dance

Georgia Metropolitan Dance 61st Season Fundraising Appeal

What do we as parents, grandparents, family members, professionals and loved ones want for our children?

We want the best!

That's where Georgia Metropolitan Dance Theatre comes in.

Georgia Metropolitan Dance Theatre “exists to encourage and foster the development of confidence, poise, discipline, and positive self expression in its students through the proper and traditional instruction of the art of dance”.

How do we establish the best?

As a team, a team of like-minded staff, volunteers and students. We are guided and inspired by acclaimed Ashleigh Whitworth as our Artistic Director. Ashleigh instills and cultivates the “best” from her students.

To continue providing the best

We need your donation to continue our efforts. We are a 501(c)3 non-profit organization that believes your support should go directly to the development of our students through dance instruction, costumes, and production.

Give.

Give generously.

Give the “best” you can....because we do.
